IV. CONCLUSION – DIRECTION TO STAFF

Don Nottoli, Chair
Board of Supervisors

- ❑ **CONSIDER** the results of the public outreach program and additional public testimony during workshops on the Public Review Draft General Plan Update.
- ❑ **DIRECT** Planning staff to transmit the draft updated General Plan to the Department of Environmental Review and Assessment for environmental analysis after the final General Plan Workshop (tentatively scheduled for April 11, 2007) and direct the Department of Environmental Review and Assessment to initiate environmental review.
- ❑ **DENY** request to expand the USB to include approximately 3,400 acres situated along the Sacramento County - El Dorado County border.

* This sub-agenda is a draft and the timeframes above are approximate. This draft sub-agenda is not part of the Board's official agenda - it is being proposed by Planning staff to help guide workshop discussions. As such, the Board may deviate from or rearrange this schedule as necessary.
